

The Adjudication Training Coordinator is responsible for administration of adjudicator training, project submission and data as related to the VBODA Adjudicator Training Handbook. This position serves as directed by the VBODA Executive Board to:

Establish adjudicator training at regular intervals

Validate receipt of the Adjudicator Training Materials

Maintain a list of members meeting criteria

Update the list of trained adjudicators

Keep materials related to training current

The Adjudicator Training Coordinator may appoint additional trainers as needed to help offer training programs around the commonwealth. The Adjudicator Training Coordinator also works in conjunction with the VBODA Webmaster to keep the website information current and available to the membership. In addition, the Adjudicator Training Coordinator will address issues of eligibility and criteria as needed. Lists of trained adjudicators will be forwarded to the Executive Board for final approval. The Adjudicator Training Coordinator will receive a stipend for services to the membership.

Suggested Adjudicator Training Sessions:

Summer Session (as needed, based on ATC discretion)

VMEA Conference Session (Wednesday prior to conference, p.m.)

All-Virginia Event (as a clinic session)
