

VBODA 75th ANNIVERSARY LEGACY PROJECT

VBODA is continuing a project to collect as many recordings of past All-Virginia ensembles as possible, to create both digital and hard copy formats for preservation by VBODA.

Recordings we have on CD:

1959, 1965-1984, 1987, 1989-1990, 1993-1999, 2003, 2006-2012

Recordings “in transfer process” to CD:

1992 *Cassette*

2013 CD from Josh Gall is in, no transfer necessary

Recordings we are still searching for:

2005 CD	1988 Cassette/VHS	1961 LP
2004 CD	1986 Cassette/VHS	1960 LP
2002 CD	1985 Cassette/VHS	1958 and before
2001 CD	1964 LP	
1991 Cassette/VHS	1962 LP	

We are in receipt of “Virginia State String Orchestra” LP’s from 1965-1968, and 1970. These will be transferred to CD and added to our files.

As this project continues, our goal is to post archival recordings on the VBODA website, allowing members the opportunity to hear these historic performances, pending resolution of any pertinent legal matters that govern such postings.
