

Workshops at All Va Report

I am honored to work to continue Allen Hall's vision on the workshops at All Virginia to continue offering professional development opportunities for our membership.

Committee Members

Daniel Upton, chair (Harrisonburg)

Hunter Kopcynski (Williamsburg)

Kelley Vaeth (Loudon)

David Miller (Christiansburg)

Carrie Finnegan (Albemarle)

Recently received VMEA professional development conference submissions from Linda Gammon on sessions not accepted this year. We will pull from this pool for sessions and seek out additional from the membership.

Would like to continue CPR training as previous years per request from some members already. Would require budget component.

Will be getting with All Va host to discuss room usage and logistics at Colgan HS.

If you have any questions please do not hesitate to ask!

Daniel Upton, Jr.
